

RIFT VALLEY SILVER AIR SAFARI

6 Nights

The rift valley silver tour is an adapted version of the gold tour. Combining the contrasting wilderness of South Luangwa Valley in Zambia with the idyllic scenery and friendly people of Lake Malawi, this tour allows the discerning traveller to experience the diversity of the East African Rift Valley all within a week's time.

We specialise in personalised air safaris for small groups to guarantee individual attendance to your interests and needs. You will be accompanied by the same guide throughout the safari, with the aim of making it a memorable experience.

FEATURES OF THE SAFARI

Our safari begins with a scenic flight to Lake Malawi's gem: Likoma Island. The crystal-clear water and the sunny climate invite you to explore the myriad of tropical fish. The romantic island paradise Kaya Mawa offers a range of activities, from diving and water-skiing to biking around the island. The historical cathedral built in 1903 is also worth a visit.

The following day we sail to the mozambican shore, lined with untouched forests and rocky coves. Our destination Nkwichi Lodge, an eco-tourism venture, is only accessible by boat or sailing dhow and guarantees complete tranquility. Choose to relax on the white sandy beaches or explore the conservation area on foot and by canoe.

Our stay in South Luangwa National Park, home to Africa's 'Big Five', rounds off the safari. The luxurious Mfuwe Lodge is our last base from which we venture into the interior. Seeing elephants on the game drives is just as likely as hearing hippos circle your chalet at night.
