

EXPLORE AFRICA AIR SAFARI

13 Nights

Combining an extraordinary safari experience with a romantic beach holiday, this tour takes you to the three neighbouring countries of Malawi, Mozambique and Zambia. Relax in an exclusive island resort and indulge in the breathtaking nature and wildlife of three national parks.

We specialise in personalised air safaris for small groups and aim to make your time with us as comfortable and memorable as possible. To guarantee individual attendance to your interests and needs, you will be accompanied by the same guide throughout the safari.

FEATURES OF THE SAFARI

Our tour begins in Malawi's Liwonde National Park. The fertile banks of the Shire River offer ideal habitat grounds for elephant, warthog and impala. See crocodiles and hippos swim alongside us on the river cruise and watch the park's wildlife in an open landcruiser.

Mumbo Island is an exclusive camp on an otherwise deserted tropical island in Lake Malawi. The luxurious tents blend in perfectly with the dense foliage. Each tent has its own hammock where you can watch the sun setting on the 'lake of stars'.

Nkwichi Lodge, situated on Lake Malawi's mozambican shore, was built with the aim to protect wildlife and to provide social and economic benefits for the local community. The untouched forests and white beaches guarantee complete tranquility. Choose from a range of activities in and around the water.

The high-lying Nyika Plateau in the north of Malawi supports a large number of zebra and eland. Exploring the rolling hills on horseback is a great way to get close to the animals. Mountainbiking is also a favourite amongst visitors.

South Luangwa National Park rounds off this memorable african experience. Activities at Mfuwe Lodge include day and night game drives; lion and leopard are often seen. Walking safaris allow closer contact with the game and offer exceptional bird watching.
